We had engaged Gateway Plumbing Group for a quote on our residential project. Jordy was very quick to respond and attend our property.

Jordy is very professional, informative and quick with his quotes!

At the end of each work day Jordy ensured our property was clean, everything was working perfectly and we were happy with the end result.

No job was too hard or small for Jordy to attend and always showed up on time!

We have referred Gateway Plumbing Group to our family and will continue to use Jordy for all ongoing and future jobs!
